General Student Agreement

The following agreement has been developed to meet the needs of students who are pursuing educational programs in the secondary schools listed below and are continuing their education at SUNY Morrisville.

The purpose of this Articulation Agreement is to provide a continuing articulation program that builds on past learning experiences and eliminates the unnecessary duplication of instruction. Specific articulation provisions are listed with each course.

Specific Articulation Provisions

In order to receive credit at SUNY Morrisville for HORT 210 Horticulture Practices II (2 credits), the responsible Plant Science instructor (or designee) from Broome-Tioga BOCES agrees to:

1. Provide a letter of recommendation verifying the student's proficiency
2. Submit the student's CTE program student record and certificate of completion
3. Provide SUNY Morrisville with a copy of the Plant Science curriculum outline upon initial agreement and renewal agreements
4. To notify SUNY Morrisville in writing of any changes to the Plant Science curriculum

SUNY Morrisville will grant credit whenever the student officially matriculates into the following degree programs:

1. Horticulture, A.A.S.

and meets the following criteria:

1. Students must have a cumulative average of a C (75/100) or better in the Plant Science program at Broome-Tioga BOCES and must have obtained the CTE diploma endorsement

Credit for HORT 210 will be granted after the first semester of matriculation as long as the student has earned a minimum of 12 credits with a cumulative GPA of 2.0 or higher. Upon acceptance to SUNY Morrisville, the student should contact his or her high school or BOCES counseling department to facilitate the granting of credit.
