

# In Loving Memory

**Katie Stanley**  
(9/21/90 – 8/14/09)

This year's 27<sup>th</sup> annual Morrisville State College Autumn Review Sale is dedicated in loving memory to Katie Stanley. Katie was a genuine friend and dedicated member of the Morrisville State College Dairy Club whose life was tragically cut short when her vehicle was struck by a drunk driver. Although many students and faculty met Katie for the first time after she arrived at Morrisville, she left a lasting impression on many. She had a unique way of making lasting friendships. Katie was an extremely hard worker, and a dedicated, honest and caring student and Dairy Club member. She had a zest for life

*“Forever I will always treasure those who I am close with. I vow to live each and every day to the fullest. I dare to dream big and chase those dreams until they become my reality. I will work hard, so at the end of those long tiring days I feel that I have accomplished something.*

*I will teach the wisdom I acquire in my lifetime to the young I will be privileged to meet”.*

*Katie Stanley*
