

**Agenda for Dual-Credit Student Visit**  
**October 9, 2009**  
**Environmental Science Department, Morrisville State College**

***ENSC 100: Environmental Science***

**9:30am - 10:00am:** Visiting students and teachers will arrive at the Aquaculture Center south of the main campus on Eaton Street. Restroom facilities are available at the Aquaculture Center. Students should dress for the weather accordingly, and hiking boots and dressing in layers are recommended. They will spend at least 1 hour outside. **The Program will start promptly at 10 am.** Plan to arrive early, so your students can enjoy the full program.

**10:00 - 11:00am:** The group will be divided into three smaller groups and rotate through three stations, spending about 20 minutes at each. The stations are:

- 1:** Professor Trotta: Tour of Aquaculture Facility
- 2:** Professor Hunter: Nature Trail - Recreation Area Management
- 3:** Professor Ballard: Renewable Energy Session

**GROUP 1**

**11:05 - 11:45** Overview of Environmental Science curricula, program resources, and opportunities at Morrisville State College. Presented by Prof. Brendan Kelly in **Marshall Hall 101** (Bicknell Hall is under renovation).

**11:45 - 12:15** Web services presentation in Charlton Hall 125: accessing and using your Morrisville State College student email and online resources.

**12:15 - 1:00** Lunch at Seneca Dining Hall

**GROUP 2**

**11:15 - 11:45** Lunch at Seneca Dining Hall

**11:45 - 12:30** Overview of Environmental Science curricula, program resources, and opportunities at Morrisville State College. Presented by Prof. Brendan Kelly in **Marshall Hall 101** (Bicknell Hall is under renovation).

**12:30 - 1:00** Web services presentation in Charlton Hall 125: accessing and using your Morrisville State College student email and online resources.

**GROUP 3**

**11:15 - 11:45** Web services presentation in Charlton Hall 125: accessing and using your Morrisville State College student email and online resources.

**11:45 - 12:30** Lunch at Seneca Dining Hall

**12:30 - 1:15** Overview of Environmental Science curricula, program resources, and opportunities at Morrisville State College. Presented by Prof. Brendan Kelly in **Marshall Hall 101** (Bicknell Hall is under renovation).

*Please note that students enrolling in ENSC 100 Environmental Science Course will be submitting their registration form today. These students need to bring their completed form and a check for \$235.05 (\$65 tuition/cr. + \$0.85 SUNY fee/cr. + \$12.50 technology fee/cr. x 3 credits) payable to Morrisville State College. These will be collected in 125 Charlton Hall during the web services presentation.*
