Dear International Student:

Welcome from Morrisville State College Student Health Center.

Academic Year Hours:

Monday – Friday 8:30 a.m. to 5:00 p.m.

Summer Hours:

Monday – Friday 8:00 a.m. to 4:00 p.m.

Please submit all information in ENGLISH. Also, if you have had a positive PPD, please be sure to submit a chest xray report.

NEW YORK STATE LAW

In accordance with NYS Law any student born after January 1, 1957, must provide proof of immunity to measles, mumps, and rubella (i.e. **TWO {2} MEASLES, ONE {1} MUMPS, AND ONE {1} RUBELLA vaccine**). Students who are taking 6 or more credit hours will not be able to register or attend classes without this documentation on record in the Health Center office. (Records may be located at last college or high school attended or at family doctor's office.)

HEALTH INSURANCE

All International students are required to have health insurance.

PRE-ADMISSION PHYSICAL

If you are planning on receiving care at the Student Health Center, you must submit a pre-admission physical preferably done by a health care provider who has known you. If you do not choose the Student Health Insurance plan, a copy of your private insurance card (*FRONT AND BACK*) **must** be included with your physical.

ATHLETICS

If you are planning on participating in any intercollegiate sport, you will not be able to tryout, practice or participate without a pre-admission Physical Exam (less than one year old) on record at the Health Center Office.

MENINGITIS VACCINE

The Center for Disease Control Advisory committee on Immunization Practices (ACIP) recently issued a new recommendation for college students. Students, especially those living in residence halls, should consider vaccination to reduce their risk for MENINGOCOCCAL DISEASE.

New York State Public Health Law 2167 requires:

- A response to receipt of meningococcal disease and vaccine information signed by the student or student's parent or guardian. This must include information on the availability and cost of meningococcal meningitis vaccine.
- AND EITHER
- A record of meningococcal meningitis immunization within the past 10 years; OR
- An acknowledgement of meningococcal disease risks and refusal of meningococcal meningitis immunization signed by the student or student's parent or guardian.

THE STUDENT HEALTH CENTER DOES NOT PROVIDE THIS VACCINE.

If you have any questions, special needs or circumstances, we will be happy to assist you. Please call the Health Center at 315.684.6078 or visit our web page at www.morrisville.edu, select current students, select student services, and then Student Health Center.

IMPORTANT

Prior to campus arrival all students **MUST** submit:

- _____ 1. Verification of MMR immunity
- _____ 2. Physical Exam
- _____ 3. Health Insurance Information
