Terry Dow, Camp Director

Terry Dow enters his 14th season as Morrisville State College's head football coach in 2010.

Throughout 13 seasons with the Mustangs, Dow has compiled an overall record of 64 wins and 68 losses, claiming three National Junior College Athletic Association (NJCAA) Northeast Football Conference championships and two Region III championships, while being named the NFC Coach of the Year twice in his career with the Mustangs.

Dow has led the Mustangs throughout two seasons of competition within the NJAC Conference and has had three players earn post season NJAC All-Conference team honors in each season, with three earning SUNYAC All-Academic Team honors, and several being recognized as the NJAC Player of the Week.

Dow has coached 83 NJCC All-Conference selections, six conference players of the year, and NJCC All-America team selections, since the programs reinstatement in 1997. For five consecutive seasons (2001-2006), the Northeast Football Conference named one of Dow's student-athletes as the offensive or defensive player of the year.

Success with student-athletes playing for Dow is not limited to the junior college level. Many have continued their collegiate experience into NCAA divisional programs and onto the professional level. Morrisville State’s 2001 NFC Defensive Player of the Year and NJCC All-American linebacker, Alex Lewis, was the first Mustang under Dow to be drafted into the National Football League (NFL) in 2004. Lewis was picked by the Detroit Lions in the fifth round of the annual draft. Curtis Johnson joined Lewis in the NFL in 2008, earning a position on the Dallas Cowboys roster as a defensive end.

A 1998 graduate of Ithaca College with a bachelor of science in physical education, Dow spent two seasons as a line coach under legendary head coach, Jim Butterfield, before remaining at Ithaca for three additional years, beginning his coaching career as assistant coach for the offensive and defensive lines.

In 1991, Dow joined the football coaching staff at Colgate University as coach of the tight ends for the Raiders before accepting a coaching position at Monmouth before remaining at Ithaca for three additional years, beginning his coaching career as assistant coach for the offensive and defensive lines.

Named offensive coordinator and recruiting coordinator in 1993 at Monmouth, a Division I-AA football program, Dow spent four seasons gaining vast knowledge and experience at the collegiate ranks, bringing his experience to Morrisville State College in 1997.

For six years, Dow served as the president of the NFC Coaches Association and was the District I representative to the NJCCA for football. He is a member of the American Football Coaches Association and was instrumental in having Morrisville State College become a member institute of the New York State High School Coaches Football Association.

**SKILLS and DRILLS**

Campers will participate in skills and drills sessions for all positions in football.

Each camper will work on skills such as throwing, catching, ball carrying, blocking, defensive pursuit, tackling, and coverage.

**Ability grouping:**

To maximize each camper’s experience, please provide us with the camper’s age and grade entering in 2010 in the spaces provided on the attached registration form.

In order to ensure players will be at the same skill level, all players entering 4th, 5th and 6th grades will be grouped together as well as those entering 7th, 8th and 9th grades.

**Typical Daily Schedule:**

- **8:30 - 9 a.m.** Camper arrival and check-in at the stadium
- **9 - 11 a.m.** Skills session #1
