Men’s Basketball

In 2005, Morrisville State College became an active Division III member of the National Collegiate Athletic Association (NCAA).

Morrisville State College begins membership with the North Eastern Athletic Conference (NEAC) along with Penn State - Abington and College of St. Elizabeth. Current conference members include: Cazenovia College, Keuka College, Penn State - Berks, Penn State - Harrisburg, SUNY Cobleskill, SUNY Institute of Technology, Web College and Wilson College.

While the championships won will always be part of the fabric of Morrisville’s athletic heritage, the Mustangs began forging a new tradition as a member of the National Collegiate Athletic Association (NCAA).

Morrisville State student-athletes will immediately be eligible to compete for post-season honors and tournament championships, including Conference and NCAA Championship Tournaments.

The men’s basketball team has had a long and successful athletic history at Morrisville, producing several all-conference, all-region and all-American team selections and several have earned Academic All-American team honors.

Following a 12-14 campaign in the 2004 season, the men’s basketball team opened up 2005 with a 10-0 run and compiled the season with a 28-5 overall record, gaining regional and national recognition. The Mustangs continued the season ranked eighth in the final NJCAA national poll, reaching the most wins in the history of the program.

In their first year of NCAA competition, the men garnered a 7-15 overall record and returned four of five starters to the 2007 squad that went 5-19 overall and followed with a 3-21 record in 2008. A new recruiting class and solid returning student-athletes will bring the level of competition to new heights in 2009.

About Morrisville State

Students at Morrisville State College choose from bachelor and associate degrees in more than 70 majors and options in the Schools of Agriculture and Natural Resources, Business, Liberal Arts and Science and Technology. Approximately 30 degree programs are Thibault University curricula where the use of laptop computers is fully integrated into academic life.

With 3,138 students, Morrisville offers an environment which encourages class participation and exploration and provides students with the opportunity to grow intellectually and personally. The student-to-faculty ratio at Morrisville is low, providing students with an opportune learning environment. Morrisville State College’s academic programs include general education electives as well as courses in students’ field of concentration.

Admission

Morrisville State College accepts students on a rolling admission basis. Requirements for admission to academic programs vary. SAT and ACT exams are required for students applying to bachelor degree programs. On-campus interviews are recommended.

Financial Aid

Morrisville State awards financial aid on the basis of need. More than 85 percent of the student body receives financial aid in the form of scholarships, grants, loans or an on-campus job. Many students participate in state and federal programs such as Pell and TAP grants.

Residential Life

Eleven residence halls offer a variety of living arrangements for students and a variety of dining facilities provide different meal options. Residence halls provide an opportunity for autonomy and affiliation in a supportive environment and serve as centers for organized social, cultural and educational activities.

Each residence hall offers study and recreational lounges, laundry facilities, wired and wireless computer access and a variety of vending machines. Each room is furnished with desks and chairs, books, drawers, floor lamps and cable hookups.

Athletic Facilities

Morrisville State College has a variety of excellent athletic facilities designed to cultivate physical achievement and well-being, both among intercollegiate athletes and the campus community.

The Morrisville State College IcePlex houses two regulation-sized rinks and serves as home ice for the men’s hockey team. Second community organizations also call the IcePlex home. Within the multi-use ice complex are classrooms that provide hands-on training, a fire-aid room, 11 locker rooms, offices, a game room, pizza and sub shop and a pro shop.

The college’s outdoor facilities include a synthetic 400-meter track, six outdoor tennis courts, and athletic fields for football, field hockey, soccer, softball and lacrosse.

Full-time athletic trainers are available to athletes for care and prevention of athletic injuries. An orthopedic doctor reports to campus once a week to evaluate athletes’ injuries. The trainer is associated with the Hamilton Orthopaedic Office located 10 minutes from Morrisville State College.
