MSC Facts & Stats

To be eligible for NCAA competition, all student-athletes must be enrolled in a program leading to a baccalaureate degree and have taken the SAT exam.

Morrisville State College, located in Central New York, offers bachelor degrees and a wide variety of associate degree options. Considered to be one of the most technologically advanced colleges in the nation for its ThinkPad University program and wireless technology initiative, the college was the first in the nation to comprehensively replace telephones in residence halls with individual cellular phones for students. Morrisville State College was also chosen as one of the top five colleges in the nation in residence halls with individual cellular phones for students. Morrisville State College became an active Division III member of the National Collegiate Athletic Association (NCAA) in 2009. The strength of the college’s athletic program and its previous success in NJCAA competition has laid a foundation for a smooth transition to NCAA competition.

Men’s Lacrosse

In 2009, Morrisville State College became an active Division III member of the National Collegiate Athletic Association (NCAA). While the championships won will always be part of the fabric of Morrisville’s athletic heritage, the Mustangs began forging a new tradition as a member of the National Collegiate Athletic Association (NCAA). The men’s lacrosse team has a long and successful athletic history; at Morrisville, the team has produced several NJCAA All-American, ten All-Region selections, three Mountain Valley All-Conference selections, 12 NJCAA Men’s Lacrosse Coaches Association Academic All-Americans and one NJCAA Academic All-American. The men completed the spring 2009 season with an 8-12 overall record and with several players returning to the squad this year, Morrisville State will be a viable contender for a conference championship.

Last season Longo served as assistant coach for the Mustangs, focusing on the attack unit while implementing an off-season training, fundraising and community service plan for the men’s program.

A native of Cazenovia, Longo played two years of lacrosse for Onondaga Community College at attack before completing his collegiate career at LeMoyne College. While at Onondaga, Longo garnered coach, instructor and volunteer for several lacrosse camps and clinics. Longo continues to be active in the lacrosse community serving as a faculty member at LeMoyne College. While at Onondaga, Longo garnered a degree in business administration with a concentration in marketing.

The 2008 graduate of LeMoyne College with a bachelors of science in business administration with a concentration in marketing, the 2008 graduate of LeMoyne College with a bachelors of science in business administration with a concentration in marketing, the 2008 graduate of LeMoyne College, earning all-conference honors in each season of play, while earning Player of the Year honors.

At LeMoyne, Longo was instrumental in the Dolphins 14-1 season in 2005, recording 21 goals and 10 assists in 15 games, earning all-conference honors. The following year, Longo compiled his career with a 36 goal, 17 assist performance (second on the team in scoring), including netting five game winners, as the Dolphins claimed the Northeast-10 Conference Championship and NCAA Division II national title. Longo’s senior campaign saw him garner conference honors. The following year, Longo completed his career in 2005, recording 21 goals and 10 assists in 15 games, earning all-conference honors.

About Morrisville State

Students at Morrisville State choose from bachelor and associate degrees in more than 70 majors and options in the Schools of Agriculture and Natural Resources, Business, Liberal Arts and Science and Technology. Approximately 90 degrees programs are offered. The University curriculum is designed to cultivate physical achievement and well-being, both among intercollegiate athletes and the campus community.

The Morrisville State IcePlex houses two regulation-sized rinks and serves as home ice for the men’s hockey team. Second community organizations also call the IcePlex home. Within the multi-use ice complex are classrooms that provide hands-on training, a first-aid room, 11 locker rooms, offices, a game room, pizza and soda shop and a pro shop.

The college’s outdoor facilities include a synthetic 400-meter track, six outdoor tennis courts, and athletic fields for football, field hockey, soccer, softball and lacrosse.

Full-time athletic trainers are available to athletes for care and prevention of athletic injuries. An orthopedic doctor reports to campus once a week to evaluate athletes’ injuries. The trainer is associated with the Hamilton Orthopaedic Office located 10 minutes from Morrisville State College.

A $2 million renovation and expansion of the college’s Recreation Center was completed in January 2007, bringing an artificial surfaced field house to campus. The renovated Recreation Center also features a new athletic training room, which will have the ability to serve athletes’ daily needs as well as rehabilitative needs following injury. It is equipped with a variety of whirlpools and strength equipment and machines. The facility also contains a new laundry and equipment room, wrestling room, locker rooms for men and women and several Athletic Department staff/support offices. The Recreation Center also provides an indoor 200m track.

Future plans are to renovate and expand the college’s fitness and wellness center located in the STUAC. The fitness center currently features a variety of weight training machines, treadmills, stairclimbers, elliptical trainers and other aerobic machines. The current fitness center also contains a hard surfaced aerobics room. STUAC houses the main gymnasium (seated capacity 1,200), an auxiliary equipment/laundry room, Athletic Department staff offices, and additional men’s and women’s locker rooms.
