the college’s athletes have been named All-Americans.

At Morrisville State College, athletes will find outstanding facilities and equipment. A dedicated staff of coaches and trainers act as mentors. The

college also offers free tutoring for all students.

Women’s Basketball

In 2009, Morrisville State College became an active Division III member of

the National Collegiate Athletic Association (NCAA).

Morrisville State College begins membership with the North Eastern

Athletic Conference (NEAC) along with Penn State - Abington and College of St. Elizabeth. Current conference members include Cazenovia

College, Keuka College, Penn State - Berks, Penn State - Harrisburg, SUNY Cobleskill, SUNY Institute of Technology, Web College and Wilson

College. While the championships won will always be part of the fabric of

Morrisville’s athletic heritage, the Mustangs began forging a new tradition as a member of the National Collegiate Athletic Association (NCAA).

Morrisville State student-athletes will immediately be eligible to compete for

post-season honors and tournament championships, including Conference

and NCAA Championship Tournaments.

The women’s basketball team has a long and successful athletic history at

Morrisville. The team has won three Mountain Valley Conference Championships and has produced several all-Conference, all-Region and

all-American selections.

Head Coach

Sean Pinkerton joins the women’s basketball program at Morrisville State College in the spring of 2009.

Pinkerton came to Morrisville State from SUNY Canton, where he served as the assistant coach of the women’s basketball program last season, assisting the team to a second place tie in the SUNYAC Conference.

Prior to his arrival at Canton, he served as the assistant women’s coach at Hildreth College in Tiffin, Ohio where he also served as the head coach for the JV team.

Pinkerton worked as the varsity girls basketball coach at St. Lawrence High School and the Seneca Valley Girls Basketball team and spent two seasons as the U16 Indoor Soccer coach in Canton and JV Girls Soccer Coach at Canton High before moving on to Hildreth College.

A 2005 graduate of Hamilton College with a bachelor’s degree in psychology, Pinkerton served a season as a student assistant with the women’s basketball program while volunteering time with the Utica Big Brother, Big Sister program.

He continues to work at several camps and clinics throughout the summer.

Pinkerton currently resides in Ogdensburg.

Prospective Students

Prospective student-athletes are encouraged to contact Coach Pinkerton in the women’s basketball office or the athletic office.

About Morrisville State

Students at Morrisville State College choose from bachelor and associate degrees in more than 70 majors and options in the Schools of Agriculture and Natural Resources, Business, Liberal Arts and Sciences and Technology. Approximately 50 degree programs are threaded University curricula where the use of laptop computers is fully integrated into academic life.

With 3,138 students, Morrisville offers an environment which encourages class participation and exploration and provides students with the opportunity to grow intellectually and personally. The student-to-faculty ratio at Morrisville is low, providing students with an open learning environment. Morrisville State College’s academic programs include general education electives as well as courses in students’ field of concentration.

Admission

Morrisville State College accepts students on a rolling admission basis. Requirements for admission to academic programs vary. SAT and ACT exams are required for students applying to bachelor degree programs. On-campus interviews are recommended.

Financial Aid

Morrisville State awards financial aid on the basis of need. More than 85 percent of the student body receives financial aid in the form of scholarships, grants, loans or on-campus jobs. Many students participate in state and federal programs such as Pell and TAP grants.

Residential Life

Eleven residence halls, including a new residence hall Morrisville Commons, comprised of suites, offer a variety of living arrangements for students and a variety of dining facilities provide different meal options. Residence halls provide opportunities for community and interaction in a supportive environment and serve as centers for organized social, cultural and educational activities.

Recreational lounges, laundry facilities, wired and wireless computer access and a variety of vending machines are available in all residence halls and each room is furnished with desks and chairs, beds, dressers, floor lamps and cable hook-up.

There is always something to do on campus with 40 clubs and organizations, campus social activities as well as dramatic and musical productions.

Athletic Facilities

Morrisville State College has a variety of excellent athletic facilities designed to encourage physical achievement and well-being, both among intercollegiate athletes and the campus community.

The Morrisville State College IcePlex houses two regulation-stocked rinks and serves as home ice for the men’s hockey team. Several community organizations also call the IcePlex home. Within the rink is an ice complex that provides hands-on training in a 4,000-seat arena, locker rooms, offices, a game room, pizza and sub shop and a pro shop.

The college’s outdoor facilities include a synthetic 400-meter track, six outdoor tennis courts, and athletic fields for football, field hockey, soccer, softball and lacrosse.

Full-time athletic trainers are available to athletes for care and prevention of athletic injuries. An orthopedic doctor reports to campus once a week to evaluate athletes’ injuries. The trainer is associated with the Hamilton Orthopaedic Office located 10 minutes from Morrisville State College.

A $2 million renovation and expansion of the college’s Recreation Center was completed in January 2009, brought an artificial surfaced track house to campus. The renovated Recreation Center also features a new athletic training room, which will have the ability to serve athletes’ daily needs as well as rehabilitate needs following injury. It is equipped with a variety of weightlifting equipment and machines. The facility also features a new laundry and equipment room, training room, locker rooms for men and women and several Athletic Department staff/support offices.

The Recreation Center also provides an indoor 200m track.

Future plans are to renovate and expand the college’s gymnastics and fitness and wellness center located in the STUAC. The fitness center currently features a variety of weight training machines, treadmills, elliptical machines and other aerobic machines. The current fitness center also contains a hardwood assembly room. STUAC houses the main gymnasium (seating capacity 1,200), an auxiliary equipment/laundery room, Athletic Department staff offices, and additional men’s and women’s locker rooms.

Coming in the Spring 2010 …

... A multi-purpose stadium which will feature artificial turf, lights, new scoreboard, locker rooms, press box and stadium seating for 1,800 spectators for field hockey, football, men’s and women’s soccer, and men’s and women’s lacrosse.
