

SCHOLARSHIPS AND AWARDS

GENERAL SCHOLARSHIPS

MCF Alumni

Morrisville State College Alumni/Development sponsors a school awards program in each of the college's academic schools and one each for a male and female athlete. Each award is \$250 and is made during the spring semester.

The Legacy Awards program recognizes students whose parent(s) or guardian(s) or grandparent(s) are alumni of Morrisville State College. Applications for Alumni Legacy Awards are available at the Office of Institutional Advancement, Room 101, Bailey Hall, or call 315-684-6030. Awards are given for the fall semester only and may be applied for each year.

MCF Presidential Scholarships

Originally named for President Emeritus Royson N. Whipple, these scholarships are offered annually for each associate degree and bachelor degree program. Students are encouraged to apply for the Morrisville College Foundation Scholarships during their admission process. Selection criteria include academic achievement in high school and standardized test scores. A campus interview with the appropriate school dean may be required. Award amounts range from \$1,000-\$16,000. Further information is available through high school guidance offices or the Admissions Office at Morrisville State College. Call 315-684-6046 or 800-258-0111.

MCF Taze Huntley Memorial Scholarship

Good citizenship, academic merit, campus involvement and good character are criteria for selecting winners of this scholarship, named for the popular former faculty member. Both first-year and second-year students are encouraged to apply, during the fall semester, through the Office of Institutional Advancement, 101 Bailey Hall, or call 315-684-6030. Deadline is November 15 of each year.

Arkell Hall Foundation Award

The Arkell Hall Foundation of Montgomery County sponsors a scholarship for students from western Montgomery County. The award covers expenses not met by other aid. For further information, contact the Office of Institutional Advancement, 101 Bailey Hall, 315-684-6030

Empire State Minority Honors Award

Students with a record of high academic achievement who are from under-represented minority groups are eligible for this award funded jointly by the State University Central Office and the campus. Application is limited to New York residents enrolled in degree programs who are members of historically under-represented minorities (African American, Native American, Hispanic American, or Alaskan American). Call the Admissions Office at 315-684-6046 or 800-258-0111 for an application.

MCF Dr. Henry Washington Award

Students will be nominated for the award by a committee comprised of staff from the Syracuse Educational Opportunity Center and the College's Educational Opportunity Program. Eligible nominees will be members of a minority group who have been enrolled at the EOC who are going to attend Morrisville State College. In the absence of an EOC student attending Morrisville, current EOP students will be eligible. The award recognizes the achievements of Dr. Henry Washington, one of Syracuse's first black physicians and an active member of several community organizations. Information regarding this award can be obtained from the College's EOP Office, 315-684-6075.

Four-Year Transfer Award

Students with at least a 3.0 GPA transferring from a two-year college program into a four-year degree program at Morrisville State College may apply for this \$1,000 annual award. Contact your School for details: **School of Agriculture and Natural Resources**, 315-684-6083; **School of Business**, 315-684-6056; **School of Liberal Arts**, 315-684-6081; **School of Science and Technology**, 315-684-6079.

MAC Awards

The Morrisville Auxiliary Corporation offers bookstore credits, known as Calvin Dunkle Awards, to both full- and part-time students. Students with a minimum grade point average of 2.0 are eligible to apply. Scholarship recipients are selected by the MAC Awards Committee. Criteria for the awards include other scholarship information, college or public service and citizenship. Applications can be obtained from the Morrisville Auxiliary Corporation, 315-684-6047.

The ThinkPad Award is offered in the spring semester to a second semester freshman with at least a B average in high school and an overall GPA at Morrisville State College of 3.3 or higher. The winner is chosen by the MAC Awards Committee, and receives a free IBM/Lenovo ThinkPad laptop. If the student already has an IBM/Lenovo ThinkPad laptop, their account will be credited and marked paid in full.

The New York State Federation of Home Bureaus, Inc.

The New York State Federation of Home Bureaus, Inc. sponsors a Food, Hospitality, and Travel Management scholarship in honor of Florence W. Husson and a Nursing and a Dietetic Technician scholarship on behalf of Chenango County to a returning senior who meets the qualifications of scholarship, need, leadership, and residence in a county where the Federation of Home Bureaus, Inc. has an organized chapter. Call your school office for specific information.

MCF Paul Petreikis Scholarship

This fund was established by the estate of Paul Petreikis and will be awarded to three students who meet the financial assistance requirements and academic GPA of 2.0 or higher. For information, contact the Institutional Advancement Office at (315) 684-6030. The application deadline is April 1 of each year.

MCF P. Daniel Stevens Memorial Scholarship

This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship, awarded by the Office of Institutional Advancement, is named in memory of one of the original show coordinators. The \$500 scholarship (for the academic year; \$250 per semester) is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs. Although the scholarship is renewable to allow for continuity, application will take place annually. For further information, contact the Office of Institutional Advancement, 101 Bailey Hall, 315-684-6030. The application deadline is November 15 of each year.

MCF Raymond L. Banks Endowed Scholarship

This scholarship is available to any returning Morrisville State College student (in any academic program) or graduating senior transferring to a four-year program at Morrisville State College. The award is based on merit (academic standing of at least 3.0), financial need, and a combination of leadership and community service. For more information or an application, call the Institutional Advancement Office at 315-684-6030. Deadline is April 1 of each year.

MCF Kenneth R. Spratt Memorial Scholarship

This scholarship provides one merit award per year to a student from the Central New York area who meets the financial assistance requirements. The award will cover the traditional academic year and will be utilized for academic pursuits in the form of tuition, fees, and/or books. For further information, call the Institutional Advancement Office, 101 Bailey Hall, 315-684-6030. Deadline is November 15 of each year.

World Trade Center Memorial Scholarship

This scholarship is awarded to students throughout New York State who are enrolled at SUNY campuses, community colleges and statutory campuses, who meet eligibility requirements.

MCF The Kurt C. and Laretta K. Blixt Scholarship:

This scholarship is available to any student attending the Morrisville Campus showing financial need. Applications are available in the Institutional Advancement Office, Bailey Hall 101, or call (315) 684-6030.

SCHOOL OF AGRICULTURE AND NATURAL RESOURCES

Four-Year Transfer Award

Students with at least a 3.0 GPA transferring from a two-year college program into a four-year degree program at Morrisville State College may apply for this \$1,000 annual award. Contact your School for details: **School of Agriculture and Natural Resources**, 315-684-6083; **School of Business**, 315-684-6056; **School of Liberal Arts**, 315-684-6081; **School of Science and Technology**, 315-684-6079.

MCF Browns Feed Scholarship

This \$1,000 scholarship is awarded to one student each year who is currently or will be enrolled in an agricultural program at Morrisville State College. The scholarship is awarded based on need and merit. It will cover the traditional academic year and will cover tuition, fees and/or books. Contact the School of Agriculture and Natural Resources at 315-684-6083 for an application. The application deadline is April 1.

New York State Dairy Princess Scholarship

This \$500 scholarship is awarded each year to an incoming young woman who has participated in the New York State Dairy Princess program at the county or state level. Criteria for selection includes strong interest in promoting nature's most perfect food and the dairy industry as a whole. It will cover the traditional academic year and will cover tuition, fees, and/or books. Contact the School of Agriculture and Natural Resources at 315-684-6083 for an application. The application deadline is April 1.

Agriculture

MCF Laura Janson Scholarship

The Laura Janson Scholarship recognizes a full-time student enrolled in their second year or higher, in an animal-science related degree at Morrisville State College, with a GPA of 3.0 or higher. A short essay is required describing how your love for other people is affected by your love of animals, along with your experiences in caring for the animals' needs (from daily barn duties to the extra care/effort you have given to animals). Deadline to apply is April 1 of each year. Please contact the Alumni/Development Office for an application at (315) 684-6030.

MCF I.L. Richer Scholarship

This scholarship provides one merit award per year to a student enrolled in an agricultural program who meets financial assistance requirements. The award will cover the traditional academic year and be utilized for academic pursuits in the form of tuition, fees and/or books. Applications can be obtained from the School of Agriculture or by calling 315-684-6083.

MCF Merton Evans Scholarship

This scholarship is awarded annually to an incoming freshman agricultural student. The Evans family requests that the successful recipient communicate with them over the course of their Morrisville State College educational experience. Contact the School of Agriculture and Natural Resources at 315-684-6083 for an application. The application deadline is April 1.

MCF Crane Agricultural Scholarship

This scholarship is intended to encourage and reward academic achievement in selected fields of study in the School of Agriculture and Natural Resources. This scholarship is available to full-time students in an associate degree program with academic majors in Agricultural Engineering, Animal Science - Dairy, Agricultural Science (transfer program), or Agricultural Business (business concentration). The award is based on maintaining a 3.0 grade point average, extracurricular activities, financial need and interest in the agricultural field. Applications can be obtained in the School of Agriculture and Natural Resources Office, 315-684-6083, and must be completed by April 1.

Morrisville State College FFA Scholarship

High School Active Member of FFA

- Participated in Chapter activities
- Member of NYS and National Organization

Eligible for \$250.00 per semester – the first semester is granted and the student must maintain a GPA of 2.5 to continue to receive the scholarship. The total value of the scholarship could equal \$1,000 for an Associate degree candidate or \$2,000.00 for a Bachelor degree candidate.

State or National Officer

- Line office or District President
- Prior to Morrisville or during study at Morrisville State College

Eligible for the active member \$250.00 per semester plus a \$1000.00 per semester scholarship. A GPA of 2.5 would have to be maintained to receive the \$250 scholarship and a GPA of 3.0 to receive the \$1,000. The total value of the scholarship could equal \$5,000.00 for an Associate degree candidate or \$10,000 for a Bachelor degree candidate. For more information please contact the Admissions Office at 800-258-0111.

National FFA Scholarship Program

FFA awards more than \$2 million annually to FFA members. Scholarship money is provided by corporations from across the United States. The application deadline is April 1.

High School Judging Contest

Winners of high school judging contests hosted by Morrisville State College receive these \$250 scholarships. Fifteen scholarships are awarded by the Morrisville College Foundation. For information, call 315-684-6083.

MCF P. Daniel Stevens Memorial Scholarship

This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship, awarded by the Office of Institutional Advancement, is named in memory of one of the original show coordinators. The \$500 scholarship (for the academic year; \$250 per semester) is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs. Although the scholarship is renewable to allow for continuity, application will take place annually. For further information, contact the Office of Institutional Advancement, 101 Bailey Hall, 315-684-6030. The application deadline is November 15 of each year.

Dairy

MCF Dave Crowley Memorial Scholarship

Awarded annually by the Morrisville Dairy program and the Crowley family to an incoming freshman who has been active in the dairy industry and who has participated in leadership activities. The application deadline is May 1. Applications can be obtained from the School of Agriculture and Natural Resources at 315-684-6083.

MCF Dairy Club Award

The Dairy Club award is presented annually by the Morrisville State College Dairy Club to an incoming freshman who is involved in youth dairy activities on local and state levels. The \$250 award is based on involvement in activities,

leadership, and career potential in the dairy industry. The application deadline is May 1. For an application, call the School of Agriculture and Natural Resources at 315-684-6083.

Diesel Technology

MCF Southworth-Milton/Caterpillar Excellence Scholarship

Since 1998, both Caterpillar Inc. and Syracuse Supply have contributed to a \$15,000 scholarship fund which is given to two freshmen and two seniors. These scholarships provide merit awards to students in the Agriculture Engineering Diesel Technology program who meet educational and financial assistance requirements. For further information contact the School of Agriculture and Natural Resources at 315-684-6083. The application deadline is May 15 for first-year students and November 15 for second-year students.

Environmental Sciences

MCF Buyea/Brown Award

Two \$100 awards will be made every spring. One award is presented to a nontraditional student with a major in Environmental Science, and the second award is presented to a nontraditional student in Business Administration. Students with a cumulative GPA of 2.5 or greater, who are active in at least one organization on campus and who plan to continue their education at Morrisville State College are eligible. Awards are presented at the individual department convocation ceremonies. For further information, call the School of Agriculture and Natural Resources at 315-684-6083, or the School of Business at 315-684-6056. The application deadline is March 1.

Outdoor Recreation Club and Conservation Tri-Society Award

Students enrolled in an Environmental Science major and participating in either of these clubs are eligible for this \$100 award. Application should be made through the respective club advisors, in the fall semester of the second year of study.

MCF Kenneth Spafford Willey, Jr. Memorial Scholarship Fund

Awarded annually to one Morrisville State College student who intends to pursue a degree in a Natural Resource Conservation/Wildlife Management or related environmental science area of study. Selection criteria include merit, normal progress toward a degree, good character, campus citizenship and wholesome campus involvement. Additional information can be obtained from the Dean of the School of Agriculture and Natural Resources, 315-684-6083.

Equine Studies

Equine Baccalaureate Scholarship

These scholarships are awarded by the Equine Institute to bachelor of technology students who complete their associate in applied science degree program. Every bachelor of technology student is reviewed after one year for further consideration. The amount of the award ranges from \$500-\$1,000. For more information, contact the School of Agriculture and Natural Resources for more information at 315-684-6083.

MCF Jack and Cynthia Perry Award

Equine racing freshmen are eligible for this award which ranges from \$1,000-\$3,000. The application deadline is May 1. For more information, contact the School of Agriculture and Natural Resources for more information at 315-684-6083.

Genesee Breeders Award

This \$500 scholarship is awarded to a student in the thoroughbred program. The recipient must maintain a minimum 2.5 GPA to be enrolled in the second year or beyond. For more information, contact the School of Agriculture and

Natural Resources for more information at 315-684-6083. The application deadline is September 30.

MCF Nancy Sears Stowell Memorial Scholarship

This \$250 scholarship honors the woman who started the equine program at Morrisville in the late 1960s. It is presented annually to a senior student who has exhibited great interest, dedication, ability and desire to pursue a career in equine studies. For more information contact the School of Agriculture and Natural Resources at 315-684-6083. The application deadline is May 1.

Morrisville College Foundation Equine Internships

This award, open to students who have completed at least one semester, is given to qualified equine students enrolled in the summer programs. Contact the School of Agriculture and Natural Resources for more information at 315 684 6083.

MCF Canterbury Stables Equine Scholarship

This scholarship is awarded to an eligible student athlete entering his or her junior or senior year in a Morrisville State College baccalaureate of technology degree in Equine Science. Strong candidates for this scholarship will have won equitation or hunter classes on the Classic Show Series Circuit and/or any 'A' rated horse shows, but priority will be given to those who can articulate the importance of horse Management and care. Three references are required and may be obtained from any of the following: your trainer, coach, a horse-owner you have worked with, or a previous or current employer (not including family members). Applications must include a 300 word essay describing the importance of horse management/care and the impact it has on your sport horse's health and performance. Applications are available in the Institutional Advancement Office, Bailey Hall 101. For more information call (315) 684-6030.

MCF Bridget Kate Publicover Scholarship

This scholarship is awarded in the fall to a sophomore or junior equine major with a GPA of 3.0 or higher, be involved in extra-curricular activities or clubs, and submit an essay describing why he/she has decided to pursue a career with horses. Students in a food service program are eligible for this \$500 to \$1,000 award. Applications are available by contacting: NYSRA, 455 New Karner Road, Albany, NY 12205

New York State Hospitality and Tourism Association Award

NYSHTA provides a scholarship to a senior with an interest in the hospitality industry, based on scholarship, financial need and commitment to his or her academic program. The approximate award is \$500.

The New York State Federation of Home Bureaus, Inc.

Please see complete information on this award on page 3 of this section.

MCF The New York Hotel, Matt Morgan Scholarship

This scholarship, named for the college council member who endowed the fund, is awarded to a hospitality technology student based on faculty recommendation.

MCF The Thomas V. Ciarrocchi Scholarship

Given by this member of the Class of 1947, this scholarship rewards a student for academic achievement, good moral character, leadership, and interest in a food service vocation. A faculty committee chooses the annual recipient. The award amount varies. Applications are available by contacting the School of Business at 315-684-6056.

United Restaurant, Hotel, and Tavern Association Award

The \$1,000 award is a statewide scholarship available to students who have completed one year of course work with a minimum GPA of 2.5. Applicants must be New York state residents and must demonstrate financial need. The application deadline is April 30. Applications are available by contacting: United Restaurant Hotel Tavern Association, 25 Elk Street, Albany, N.Y. 12207

Tourism Cares Academic Scholarship

SCHOOL OF LIBERAL ARTS

Four-Year Transfer Award

Students with at least a 3.0 GPA transferring from a two-year college program into a four-year degree program at Morrisville State College may apply for this \$1,000 annual award. Contact your School for details: **School of Agriculture and Natural Resources**, 315-684-6083; **School of Business**, 315-684-6056; **School of Liberal Arts**, 315-684-6081; **School of Science and Technology**, 315-684-6079.

Journalism

MCF The Camera-Ready Award

Established in 2002, this award recognizes excellence in photography or graphic design.

MCF The Doug L. Youngs Memorial Award

This award is presented to a journalism senior who best represents the standards set by Doug Youngs, an all-American wrestler at Morrisville State College and a journalism student who was killed in an automobile accident in November 1988.

MCF The Faculty Award

This award is given to the person who has shown the greatest professional growth or improvement during his or her two years at Morrisville State College.

MCF The Founder's Award

Given in tribute to Gerald A. Leone, the program's founder, this award is given in each production lab for leadership and significant contributions to that lab.

MCF The Jim Kenyon Award for Broadcasting Excellence

This award is given to the WCVM student who shows the greatest promise in a broadcasting career. The award is named for the 1969 alumnus, now an investigative reporter for WSTM-TV in Syracuse.

MCF The J.J. Leone Memorial Award

This award is presented to a student based on academic achievement, character and contributions to the college and the journalism program. The award, given by the family of the retired department chair, Jerry Leone, honors the memory of Jerry's father who worked more than 25 years as a printer for the Rochester *Democrat & Chronicle*.

MCF The John O'Connor Memorial Award

This award is presented for editing skills, academics and publication. Sponsored by former students, this award honors the former faculty member (1978-80) and *Chimes* adviser who died in 1985.

MCF The Leading Edge Award

This award honors a WCVM student, preferably in journalism, who has exhibited leadership in decision-making, personal and professional ethics, has made noteworthy contributions to the field of college student radio, and plans to pursue a four-year degree.

MCF The Neal Bandlow Spirit of the Chimes Award

Established in 2002, this award recognizes an individual who exemplifies the journalistic spirit and initiative of the former *Chimes* advisor who sponsors it, and for whom it is named.

MCF The Media Convergence Award

This award recognizes a journalism senior who has demonstrated talent, diversity, and excellence in service as a staff member of two Journalism production labs.

MCF The Press Club Award Prize (Charlie Hammond Award)

For stellar achievement in the program and at Morrisville State College, this award honors the student who set an exemplary professional standard for classmates and whose academic contributions to the program represented the highest level of excellence.

MCF WCVM Media Management Award

This award, established in 2002, is presented to a WCVM manager who is not a journalism major. It recognizes student leadership and the spirit of professional collaboration in daily broadcast station operations.

SCHOOL OF SCIENCE AND TECHNOLOGY

In addition to the scholarships provided by the Morrisville College Foundation, the faculty and staff of the School of Science and Technology provide funds to support numerous additional scholarships each year. These awards are presented at an annual honors dinner.

Four-Year Transfer Award

Students with at least a 3.0 GPA transferring from a two-year college program into a four-year degree program at Morrisville State College may apply for this \$1,000 annual award. Contact your School for details: **School of Agriculture and Natural Resources**, 315-684-6083; **School of Business**, 315-684-6056; **School of Liberal Arts**, 315-684-6081; **School of Science and Technology**, 315-684-6079.

Architecture

The Architectural Monograph Award

The faculty members of the Architectural Studies and Design program award an architectural monograph (written account of a single subject) to two deserving graduating Architectural Studies and Design students. These students are selected by Architectural Studies and Design faculty based on their academic performance, interest, dedication and personal contributions to the architectural program and to the college community. For more information, call the School of Science and Technology at 315-684-6079.

Architecture Alumni Foundation Scholarship

This scholarship is awarded to a graduating Architectural Studies and Design major who is in good standing academically and with student affairs. For more information, call the School of Science and Technology at 315-684-6079.

Architectural Book Award

This award is given to a second-year student in the Architectural Studies and Design program who has demonstrated leadership in the studio community through academic achievement and design work, as well as service to the college community through participation in extracurricular activities.

Architectural Portfolio Award

This award is presented to a graduating student in the Architectural Studies and Design program who has created an exemplary portfolio. The winning portfolio must be an effective tool to promote the student's work to transfer institutions and future employers. The portfolio must showcase the student's graphic ability, creativity, understanding of the design process, design skills and the breadth and depth of their accomplishments in the Architectural Studies and Design program in a professional and aesthetically pleasing format.

Automotive

MCF The George Cuney Memorial Award

This scholarship is given annually to a second-year student enrolled in the automotive program. The award is in memory of the late Professor George Cuney. A minimum grade point average of 2.50 is required. Characteristics

that emulate Professor George Cuney (good character, campus citizenship, campus and community involvement) will be taken into consideration.

MCF David Vockins Memorial Award

This scholarship is presented to incoming or upper class Morrisville College students who intend to pursue a degree in an automotive technology program. The award is in memory of David Vockins, a 1967 graduate of the automotive program. The parameters for selection include merit, normal progress toward graduation, good character, campus citizenship and campus involvement.

MCF Faculty Award

This award is given to a student (in any automotive program) by automotive faculty and is based on academic achievement and good character.

Science

MCF Crawford Scholarship

This scholarship is given annually, at the end of the freshman year, to an outstanding returning student majoring in the traditional sciences (chemistry, biology, and physics). Selection for the scholarship is based on academic performance. The award amount varies. For more information, call the School of Science and Technology at 315-684-6079.

CRC Press LLC Freshman Chemistry Achievement Award

Each spring the Chemistry Department awards a current edition of the *CRC Handbook of Chemistry and Physics* to the student in CHEM 122 or CHEM 142 demonstrating the highest proficiency in chemistry. This handbook describes organic and inorganic compounds in detail as well as a wealth of mathematical tables, definitions, and equations describing the laws of nature. For more information, call the School of Science and Technology at 315-684-6079.

MCF Douglas Scholarship

Funded by former Professors Nancy and Henry Douglas, this scholarship is given annually to a senior in Mechanical Engineering Technology who shows academic excellence. Preference is given to those who complete two semesters of physics and plan to continue their education at a four-year college. Good character, campus citizenship, and campus and community involvement will also be considered in the selection process. For more information, call the School of Science and Technology at 315-684-6079.

MCF Madge Snyder Biology Award

One merit award is given annually to a returning senior biology student of solid character and citizenship in good academic standing who may show a general aptitude for career continuance in the field of biology. The award amount varies. For more information, call the School of Science and Technology at 315-684-6079.

MCF Food Science and Technology Award

This fund is intended to encourage students to enroll in, or to assist students already enrolled in, one of the programs of study within the traditional sciences (biology and chemistry) with their educational expenses. The award recognizes academic achievement, financial need, interest in a career in the food processing industry, and county of residence (preference given to Madison and Monroe county residents). Returning seniors and incoming freshmen are eligible for the award. Selection is made in the spring of the year. Applications are available from the School of Science and Technology Office. The award amount varies. For more information, call the School of Science and Technology at 315-684-6079.

Engineering Technology

MCF Malcolm B. Galbreath Scholarship

This scholarship is given annually to a senior in the School of Science and Technology. The award is in honor of Malcolm B. Galbreath, the third president of Morrisville State College. Under his leadership, the Engineering

Departments were started and were later incorporated into the School of Science and Technology. Preference is given to a student enrolled in the traditional engineering or sciences area who plans to continue his or her education at a four-year institution. The scholarship committee, comprised of faculty and staff in the School of Science and Technology, determine the recipient of the award each spring semester.

MCF Douglas Scholarship

Funded by former Professors Nancy and Henry Douglas, this scholarship is given annually to a senior in Mechanical Engineering Technology who shows academic excellence. Preference is given to those who complete two semesters of physics and plan to continue their education at a four-year college. Good character, campus citizenship, and campus and community involvement will also be considered in the selection process. For more information, call the School of Science and Technology at 315-684-6079.

MCF Mechanical Engineering Technology Faculty Award

The faculty members of the Mechanical Engineering Technology Department give this award to a student majoring in a Mechanical Engineering Technology Department program who exemplifies high academic standards and personal characteristics needed for success in the field of engineering technology.

The New York State Electric and Gas Corporation

A student in Electrical Engineering Technology is selected for this award, which is made at the end of the second academic year. Based on academic performance, the approximate amount of the award is \$1,000. The faculty of the School of Science and Technology sponsor several annual awards for students in their senior year. These awards are based on scholarship and contributions to the college community which improve the academic and social environment. The approximate award is \$250 each. For more information, call the School of Science and Technology at 315-684-6079.

MCF Tony Patane Award

This is awarded annually to a returning African-American or Latino student enrolled in the Engineering Technology curriculum. Eligible students are identified by the Dean's Office and recommended for a personal interview. The award is \$300 and is given during the spring semester. For more information, call the School of Science and Technology at 315-684-6079.

Rensselaer Polytechnic Institute

Two awards of approximately \$5,000 each are presented to seniors in Engineering Science. Both awards are based on academic excellence. Contact the School of Science and Technology at 315-684-6079 for more information.

Residential Construction

New York State Builders Association Research and Education Foundation/Mohawk Valley Builders Association

This scholarship is awarded to a college freshman enrolled full- or part-time in a residential construction curriculum who is pursuing a career in home building or a related area. Applicants will be selected on the basis of their interest in construction, grades, extracurricular activities, employment experience, adult evaluations and financial status. For more information, call 315-684-6272.

Wood Products

Gutchess Lumber Company and Gutchess International Corp. Awards

Gutchess Lumber Company and Gutchess International Corp. make annual awards to Wood Products freshmen. For more information call the School of Science and Technology at 315-684-6079.

Keystone Kiln Drying Association

This award is provided by a group of dry kiln operators and manufacturers and is available for a senior in the Wood Products program who has interest in lumber drying. For more information, call the School of Science and Technology at 315-684-6079.

New England Kiln Drying Association Awards

Seniors enrolled in Wood Products are eligible.

W.J. Cox Memorial Scholarship

The W.J. Cox Memorial Fund awards academic scholarships of varying amounts to Wood Technology majors. The awards are offered when the student, parents, or guardians participate in some type of coverage through W.J. Cox Associates, Inc. or New York Lumbermen's Insurance Trust Fund. For information, contact the Office of Institutional Advancement, 101 Bailey Hall, 315-684-6020.

Nursing

MCF Distinguished Nursing Student Award

This annual award (amount varies) is given to a graduating senior enrolled in the nursing curriculum. Criteria for selection include professional attributes and leadership abilities as well as commitment to lifelong learning. Selection will be made by nursing faculty. For information, contact Margaret Golden, associate dean of nursing, Bailey Annex, 315-684-6049.

MCF Mary E. Jenks Award

This award is named for the 1971 graduate of Morrisville State College who, as an adult student, despite a vision impairment, built a rewarding career in the health care field. The award is given annually to a student who has completed the two-year program at Morrisville State College, has overcome hardships to realize the goal of the nursing degree, and has demonstrated outstanding attitude and achievement in the program. For more information, call 315-684-6016.

MCF The New York State Federation of Home Bureaus, Inc.

The New York State Federation of Home Bureaus, Inc. sponsors a Food, Hospitality, and Travel Management scholarship in honor of Florence W. Husson and a Nursing and a Dietetic Technician scholarship on behalf of Chenango County to a returning senior who meets the qualifications of scholarship, need, leadership, and residence in a county where the Federation of Home Bureaus, Inc. has an organized chapter. Call your school office for specific information.

MCF Elizabeth Hill Award

This award goes to a returning nursing student who is a single parent. For more information, call 315-684-6016.

Diana Wallace Award Fund

This award goes to a returning nursing student who is a single parent. For more information, call 315-684-6016.

This award is in memory of a 1973 graduate of the nursing program. Preference is given to incoming nursing students who are graduates of Charles W. Baker High School in Baldwinsville; if no Baker alumni apply, then other Onondaga County high school graduates are eligible. Other criteria include merit, good character, and solid high school academic standing. For more information call 315-684-6016.

MCF P. Daniel Stevens Memorial Scholarship

This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship, awarded by the Office of Institutional Advancement, is named in memory of one of the original show coordinators. The \$500 scholarship

is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs. Although the scholarship is renewable to allow for continuity, application will take place annually. For further information, contact the Office of Institutional Advancement, 101 Bailey Hall, 315-684-6030. The application deadline is November 15 of each year.

MCF Homer and Ilda Abbott Nursing Scholarship

This scholarship is available to second-year, full-time students in the Nursing program with a GPA of 3.0 or higher showing a financial need. Applicants are to be from a rural town or village and be dedicated to nursing and health related activities. Applications are available at the Office of Institutional Advancement, Bailey Hall 101, or call (315) 684-6030 for more information.

Dietetic Technician

Nancy Ruhle Memorial Scholarship

This \$250 scholarship is awarded in the spring by the Genesee Dietetic Association based on scholarship, achievement, experience, extracurricular activities, letters of recommendation, and financial need. Candidates must be a resident from the Genesee District majoring in Human Nutrition and Dietetics and be entering their second year. The deadline is March 1. Contact Nancy Cody, Genesee Dietetic Association, P.O. Box 22724, Rochester, NY 14692.

The New York State Dietetic Association

The New York State Dietetic Association offers awards to full-time Dietetic Technician students who have completed one year in the curriculum. Applications are to be made by February 15 with the awards made in May for the following academic year. The award amount varies.

The American Dietetic Association

The American Dietetic Association offers an award competition to eligible full-time students who have completed one full year in the Dietetic Technician Program. Scholarships are awarded to students entering their second year and for students transferring to approved ADA baccalaureate programs. The award amount varies.

Mohawk Regional Dietetic Association

This award is presented to full-time Dietetics/Nutrition students who are new to the program.

The New York State Federation of Home Bureaus, Inc.

The New York State Federation of Home Bureaus, Inc. sponsors a Food, Hospitality, and Travel Management scholarship in honor of Florence W. Husson and a Nursing and a Dietetic Technician scholarship on behalf of Chenango County to a returning senior who meets the qualifications of scholarship, need, leadership, and residence in a county where the Federation of Home Bureaus, Inc. has an organized chapter. Call your school office for specific information.

MCF Arthur and Holly Hicks Award

This annual award is given by the Morrisville State College Florida Alumni Chapter to a nontraditional Horticulture or Dietetics student in honor of Arthur Hicks, a graduate in 1922. For more information contact Professor David Soucy, 315-684-6772, or Joan Nicholson, 315-684-6213. The application deadline is November 15 of each year.

NORWICH CAMPUS SCHOLARSHIPS

Adelbert L. "Del" Button Scholarship

This scholarship was established to provide opportunities for area high school or home school students to accelerate their education by taking college classes at MSC, to take courses not available at their high school, and to enable students to build a college transcript and accumulate credit towards a college degree. Qualified students may take either day or evening classes at MSC's Norwich Campus/Roger Follett Hall. This scholarship provides 50% tuition (one half of tuition cost) for up to 4 credits per semester or term.

MCF Polly Hoag Scholarship

This MCF scholarship, established through the bequest of former student Polly Hoag, provides one award per year to a student who best exemplifies the values and pursuit of lifelong learning.

The Raymond Foundation Scholarship

This \$1,000 annual MCF scholarship is awarded to incoming freshmen whose high school grades place them among the top 5% of the incoming freshmen class at the Norwich Campus. To be eligible, students must have graduated from a Chenango County High School and be enrolled full time in a degree program at the Norwich Campus. A 3.0 Grade Point Average (GPA) and satisfactory academic progress are required to maintain the scholarship beyond the first year. The award will cover the traditional academic year and be utilized for academic pursuits in the form of tuition, fees and/or books.

MCF The R.C. Smith Foundation Award

This award is available to non-traditional students, part-time or full-time, with a GPA of at least 2.0, studying either nursing, or business administration, or accounting, at MSC's Norwich Campus; applications are available at the administration office in Roger Follett Hall and must be completed with a 750 word essay (approximately) answering the following question: As a non-traditional student, what impact would a financial award from The R.C. Smith Foundation have on your ability to pursue an MSC degree?

Priority will go to 1) Chenango County residents or graduates of Chenango County schools. Funding may be used for tuition, fees, books, uniforms, or child care; 2) students demonstrating a financial need. Winners will be invited to lunch to meet the trustees of the R.C. Smith Foundation.

Additional awards may be available to assist Norwich Campus students. For more information, contact the Norwich Office at 607-334-5144.
