3. Click on Student Information & Financial Aid, then click Financial Aid. Click Award then Award for Aid Year. Select 2012-2013 academic year.
4. Click the Terms & Conditions tab. You **must accept** the Terms & Conditions before you review your financial aid package. You **must then continue** to step 5.
5. Click the Accept Award Offer tab. Review the financial aid you are eligible for based on your FAFSA results.
 - ◆ Accept, reduce or decline your loans and submit decision. If the student borrowed loans last year, and you accepted your loan, you are done with your loan processing.
 - ◆ If you accept the parent loan, the link for the application will be displayed at the bottom of the Award page. If your parent borrowed last year with Morrisville, he/she will need to complete a new application to have the credit reviewed. In most cases, once the application is submitted, and if approved, your parent is finished with the Parent loan application process.
 - ◆ If you are a new borrower, the links to complete the processing of your loan(s) will display at the bottom of your Award page. Use your FAFSA PIN to electronically sign the MPN. If you need a PIN or duplicate PIN you can apply for one at www.pin.ed.gov.

Any additional forms or requirements that are needed will also be listed at the bottom of the Award page under "Unsatisfied Disbursement Requirements."

We strongly recommend that you review the information in the other Financial Aid tabs.
