# ANNUAL REPORT 2010

Dear Alumni, Emeriti, Faculty, Staff, and Friends,

On behalf of the Morrisville College Foundation, thank you for your generous support this year. It has been my pleasure to get to know many of the alumni and friends, faculty and staff, and corporate and foundation partners whose names appear on this annual list of donors, as I complete my first year of service as Executive Director of the Foundation.

Over the course of the last five years, contributions to the Foundation have increased by 11%, while total revenue to the Foundation has nearly doubled. The Foundation has strategically engaged in business operations, such as ownership of the Commons I and II residence halls, in order to provide a diversified base of support for the College, while continuing to foster and celebrate a culture of philanthropy among our many constituencies. It is this entrepreneurial stance that sets us apart from many other non-profits that saw contributions and revenues decline during the recent economic downturn, and it is one that will continue to serve us as we seek to build an even more robust tradition of giving here at Morrisville. When you give to the Morrisville College Foundation, you are supporting an organization that is forward-thinking, and leveraging your contributions for the benefit of Morrisville students.

Over those same five years, New York State support for Morrisville State College

has declined by approximately 30%. Private support is more important than ever and in 2010, your gifts allowed the Foundation to provide over \$2.1 million in assistance to the College, including over \$500,000 in student aid in the form of scholarships and other support. Thank you!

Statistics aside, what do your gifts really mean to students? Here is what a few students have to say about the impact of your giving.

“Having the opportunity to attend Morrisville State College and achieve what I have has made a life changing impact on me and my family. Thank you for the opportunity and for the advantages this award offers me.” – Kristie Gregware, a R.C. Smith Foundation Scholarship winner.

“I deeply appreciate this honor and those who contributed to this scholarship. I have been inspired by the caring and devoted faculty at Morrisville, who have allowed me to continue my education and give back to the community. Thank you again for making a difference.” – Tammy Weyrauch, a Greater Norwich Foundation Scholarship winner.

Without your help, we would not be able to help students achieve their dream of higher education. Thank you again for your generosity and support.

Sincerely,

Melissa R. Reider  
Executive Director
