## **Morrisville State College School of Science and Technology Honors Award**

The School of Science and Technology is proud to announce and invite applications for an honors award.

To be eligible applicants must:

- Be a School of Science and Technology student who will be graduating in Spring 2006.
- Be a full-time student in good standing (academically and in student affairs) enrolled in a minimum of 12 credit hours.

This monetary award recognizes academic excellence, achievements and solid character. The award will be presented at the School of Science and Technology Honors Dinner during the spring semester.

After review of all applications, award finalists will be identified and interviewed by the School of Science and Technology Honors Award Committee.

Applications are available in the following locations:

*School Office—  
Galbreath Hall*

*Professor. C. Thompson—  
Crawford Hall, room 247*

*Associate Dean Golden—  
Bailey Annex*

All applications must be typed and returned to the School Office no later than **February 24, 2006**
