Individual Studies Program Kudos
Congratulations to Josh Neadom and John Casterline for receiving the February 2006 ISP Kudos Award.

The Norwich Campus and SKJ Lifestyles ask you to consider the following:
Think back to when you were a little kid. Do you remember what got your heart racing? When you would lose track of time? What was that? Have you put that aside for a later date, thinking when you get the education, the job, or the career you would go back to it? We challenge you to get the dust off that something and dig your heels into making it happen today.....Just a thought...

With your well-being in mind,
The Norwich Campus and SKJ Lifestyles
