PLEASE BE ADVISED THAT ALL MAY 2008 GRADUATES WILL BE REQUIRED TO COMPLETE A GRADUATION SURVEY USING WEB FOR STUDENTS.

This graduation survey collects important transfer and employment information from our graduates and will be located on WEB FOR STUDENTS.

Graduating students who access the “Student & Financial Aid” portion on Web for Students will be prompted to complete the survey before they are able to continue. The survey has been constructed to allow for easy completion in a matter of minutes. This online process replaces the graduation surveys that were previously distributed to school offices for completion in the classroom and will be required in order to view final grades starting May 16.
