Clarification about Internal Transfer Fair

The Morrisville and Norwich campuses will be hosting Internal Transfer Fairs to help students thinking of changing majors or transferring into baccalaureate degree programs.

The Norwich Transfer Fair will be held Oct. 22, from 1 to 2 p.m. and 6:30-7:30 p.m. in the lobby of Follett Hall on the Norwich Campus, 20 Conkey Ave., adjacent to the Eaton Center in downtown Norwich.

The fair at the Morrisville campus will be held on Thursday, Oct. 23, from 12 to 2 p.m. in Seneca Dining Hall.

The Internal Transfer Fair will give students the opportunity to talk to bachelor and associate degree program representatives from across campus. The information students will gather at the fair will help them decide if changing majors is the right choice. Information will also be available to assist students with the process.

Some of the degree programs included

at the fair are Human Performance and Health Promotion, Information Technology, Entrepreneurship and Small Business Management, Science Technology and Society, Nursing, Massage Therapy, Agricultural Business, Social Science, Humanities and more. For a complete list of programs go to www.morrisville.edu/academics/ or email Jeannette Evans at evansjh@morrisville.edu.
