Presentation – Pure Performance
Can one night of drinking impact your brain and body a week later? Yes it can.

John Underwood, president of the American Athletic Institute, will present Pure Performance Thursday, April 15 at 7 p.m. in the STUAC Theater.

Mr. Underwood is a former NCAA All-American, International Level Distance Runner, World Masters Champion and Olympic Coach. His institute has conducted studies on the impact of social drug use on athletic performance. Underwood’s entertaining and informative presentation clearly connects social alcohol and drug use with reduced performance.

This event is sponsored in part by MSC Athletics.

Mustang Alley Events
There will be an ice cream eating contest on Thursday, April 8 at 3 p.m. in the STUAC lobby. The first 30 people to sign up will be entered into the contest. Prizes will be awarded and include an mp3 player, DVD player, key chains and more. This event is sponsored by Hershey’s ice cream.

On Wednesday, April 14 there will be a “make your own sundae bar.” For $2.75 you can create your own ice cream sundae at lunch and also enter to win a mountain bike courtesy of Hershey’s ice cream.
