Individual Studies Students
As a reminder, don’t forget to make an appointment with your advisor to get your schedule approved for next semester and input your fall classes.
(From left) Jeremy Caller assists Dave Bixby and Dana Williams, both residential construction majors, with installing the trim. An intricate trim of 22 maple leaves designed and created on a CNC machine by Dave Bixby and Dana Williams, both residential construction majors, are installed on a fireplace. Their work is part of a residential construction project led by residential construction and wood technology majors.
