As Morrisville State College, the on-campus experience should be a balance of activity both in and out of the classroom. For many people, sports are not much a part of college as academics. Morrisville State College offers the opportunity for students to get involved in a variety of intramural and extracurricular activities.

As an Institutional Athletic Board, a governing body comprised of students, faculty and staff, we support the visibility of intramural programs and evaluate the health and fitness for each sport.

The athletes’ most prior and vital for Morrisville Mustangs are a part of a tradition of team competition and senior school spirit that fosters a dedicated fan following of spectators to the stands for athletic contests. Morrisville State College athletes and coaches are committed to a tradition of athletic excellence.

Environmental Impact Statement
Morrisville State College is committed to the use of natural resources. This project was funded through the state of New York Environmental Conservation. This project was funded through the state of New York Environmental Conservation.

Primary values were derived from information publicly available at:
- www.epa.gov/cleanrergy/egrid/index.htm

In other words, savings from the use of wind-generated electricity are equivalent to:
- 944 gallons wastewater flow saved
- 6 lbs waterborne waste not created
- 3,638 lbs of CO₂ not released
- 42 trees planted
- 30,939 kWh electricity saved
- 1,976 gallons of fuel saved

Environmental impact statements are prepared in accordance with the guidelines and requirements of the New York State Environmental Conservation Law.
Varsity Athletics

A variety of strength athletic training facilities designed to celebrate a broad range of available training programs, both inside and outside the classroom. Students have access to state-of-the-art fitness centers and athletic fields for football, soccer, lacrosse, and other team sports. Athletics also offers a comprehensive, year-long program of intramural sports and competitive athletics. The athletic training room is the on-campus resource for athletes’ injury care, prevention of athletic injuries, and enhancement of athletic performance. The athletic training room is the on-campus resource for athletes’ injury care, prevention of athletic injuries, and enhancement of athletic performance.
