Dear Mr. Hastie:

We are very pleased to have an articulation agreement with Morrisville State College and we are very supportive of your plans for a specialized Equine Rehabilitation and Physiology Center. As you know, our equine studies program is growing rapidly and we expect a growing number of our students to want to complete their baccalaureate degree at Morrisville State College. Adding the dimension of an equine rehabilitation and physiology center at your institution only strengthens your reputation as one of the premier colleges in the nation in the equine studies area.

I wish you much success with your project and look forward to our further cooperation. Best wishes to you.

Sincerely,

A handwritten signature in blue ink, which appears to read "Charles R. Dassance".
