## MORRISVILLE STATE COLLEGE 2017-2018 SPECIAL CONDITIONS FORM

This form is for use in those specific circumstances in which a family's financial situation worsens, and 2016 rather than 2015 income would best reflect a family's ability to contribute to the student's education. These circumstances may be those of an independent student, his/her spouse or the parent of a dependent student. Change in a dependent student's circumstances does not permit the use of 2016 income in place of 2015. You must submit a copy of your tax return and W2's, a brief letter explaining the details of your circumstances and documentation that supports your special conditions.
