Fall 2025

If you need academic support services, the Accessibility Services Center (the “ASC”), works with students that have **had an IEP/504 in high school** or with those who have **struggled in high classes (writing/math)** and might need extra help.

Please **submit this form** for reasonable accommodations to be determined **along with a copy of your IEP or 504.**

Please NOTE: **the ASC does not provide Teaching Assistants for individual students on a daily basis.**

We would also like to note that college accommodations are **not** the same as public school accommodations. Time management, independent problem solving and advocating for yourself are all critical skills for success.
