HEALTH INSURANCE: PLEASE CONTACT YOUR HEALTH INSURANCE CARRIER TO BE SURE YOU KNOW YOUR MEDICAL COVERAGE FOR SERVICES IN THE MORRISVILLE

AREA. It would be beneficial for students to have their own health insurance card or a copy in their possession while at college. A picture of the front and back of the card is sufficient.

PLEASE COMPLETE THIS SECTION BEFORE GOING TO YOUR HEALTH CARE PROVIDER FOR EXAMINATION (please print).

PERSONAL MEDICAL HISTORY

ATTENTION: FOR STUDENTS UNDER EIGHTEEN (18) CONSENT TO TREAT

In order to provide routine and/or emergent care that may be necessary for students and at the same time to protect the providers and institutions involved, please complete and sign below:

I.

_______do hereby authorize the medical and counseling staff of PARENT/GUARDIAN PLEASE PRINT NAME

SUNY Morrisville's Student Health Center to provide routine care to my son/daughter. This care may include treatment for common illnesses and injuries, physical examinations for participation in sports or clinical rotations, ordering of laboratory tests, prescribing/dispensing of medications, or an initial counseling consultation if initiated by the student. I also give permission to local emergency room departments and their physicians, to provide appropriate medical, psychiatric, and surgical treatment, including anesthetics, as medically indicated in case of emergency for my son/daughter.

MENINGOCOCCAL VACCINATION RESPONSE FORM

New York State Public Health Law requires that all college and university students enrolled for at least six (6) semester hours or the equivalent per semester, or at least four (4) semester hours per quarter, complete and return the following form to SUNY Morrisville Matthias Student Health Center with your admission Health Forms.

Check one box and sign below:

I have (for students under the age of 18: My child has):

had meningococcal immunization within the past 5 years. The vaccine record is attached.

[Note: The Advisory Committee on Immunization Practices recommends that all first-year college students up to age 21 years should have at least 1 dose of Meningococcal ACWY vaccine not more than 5 years before enrollment, preferably on or after their 16th birthday, and that young adults aged 16 through 23 years may choose to receive the Meningococcal B vaccine series. College and university students should discuss the Meningococcal B vaccine with a healthcare provider.]

If refusing the meningococcal vaccine:

□ I have read, or had explained to me, the information regarding meningococcal disease. I understand the risks of not receiving the vaccine. I have decided that I (*my child*) will not obtain immunization against meningococcal disease.
