Tutoring Center Tutoring Schedule Spring 2024  effective 28 January 2024

Please see the tutors and their hours below. They are listed under the subjects and by the specific course numbers they can tutor.

Students have two options for working with face-to-face tutors:
  • book an appointment at least 24 hours in advance or
  • drop in on shorter notice without an appointment.

To book an appointment with a face-to-face tutor, follow these steps:
  1. Log in to Starfish.
  2. Go to your Courses page.
  3. Find the course you would like to work on with a tutor.
  4. Click the Schedule Appointment link in The Tutoring Center box next to that course.
  5. Follow the steps to select an appointment time and confirm the booking. You will receive an email confirming that your appointment has been booked. The appointment will also show on your Starfish Upcoming page (where you can later cancel it using the three dots if you cannot keep the appointment).

If you did not see any available appointment times in Starfish, we may not have tutors for that class, or the tutor(s) may be completely booked. Check the Tutoring Schedule below to be sure. If you don’t see what you need, submit the Tutoring Request Form on the Tutoring Schedule web page. If you would like to have a small group tutoring session with more than one other classmate, please also submit the Tutoring Request Form.
