

Dear Students:

The Tutoring Center begins its services on the first day of classes. Currently, there is no out-of-pocket fee charged to work with our tutors. During Fall 2020, all tutoring (except through NightOWL, which remains drop-in) will take place by appointment. Most tutoring will occur virtually rather than in person due to the ongoing pandemic. Appointments need to be scheduled at least 48 hours in advance and can be scheduled through Starfish, which students access through Blackboard.

To see when tutors are available, please review this schedule, which is a work in progress that will go through many updates during the semester. Thus, instead of printing it, please save an electronic copy or bookmark it online. **Changes** made since the previous version of the schedule are **underlined and in bold**. **Yellow highlights** are used to **lessen confusion** about which courses and hours go with which tutor.

This document is organized alphabetically by subject. Under each subject are listed specific course numbers for the classes taught this semester. Beside those course numbers, the names of the tutors who can help with those course names and numbers are listed. Each tutor then has a unique set of days and times when they are available for tutoring appointments. Day of the week abbreviations are as follows: Su for Sunday, M for Monday, T for Tuesday, W for Wednesday, R for Thursday, F for Friday, and Sa for Saturday.

To find tutors for your courses, look up your classes by subject. Under each subject, check for your particular course numbers. Next, find the tutors who are listed with your course numbers; then, you will see their work schedules. Then, you would log into Starfish and follow the steps to book an appointment at one of their hours. If a tutor's hours are listed as TBA, that means their hours are not yet available.

NightOWL online tutoring (drop-in only) is also available for about 10 subjects as noted with asterisks by those subjects and begins Wednesday, August 26.

If you do not see a tutor for one of your courses or if the tutors' hours do not work for you (or if you have any other questions), then contact TutoringCenter@morrisville.edu. We look forward to working with you soon!

Sincerely,

Stephanie L. Lawhorne

Stephanie L. Lawhorne, Director, Tutoring Center
