

Dear Students:

During finals week, the Tutoring Center continues to offer learning assistance to students enrolled in Morrisville campus courses for select subjects as indicated below. All tutoring at this point in the semester is virtual.

Drop-in tutoring for nine subject areas (writing for any course except foreign languages, math, biology, chemistry, nursing, physics, accounting, economics, and psychology) continues to be available online through [NightOWL](#) 7:00 p.m. to midnight, Sundays through Thursdays.

Tutoring appointments are also available with the tutors who are listed with specific courses in the schedule below. This schedule is alphabetized by subject. To see which tutors can assist with your course(s), do the following:

- Look up your course by subject.
- Find your course number for that subject.
- Find the names of tutors and their days & times listed by your course number.

To book an appointment with those tutors, use the [Revised Instructions for Using Starfish to Book Tutoring Appointments Fall 2020](#).

Sincerely,

**Stephanie L. Lawhorne**

Stephanie L. Lawhorne, Director, Tutoring Center
