

Dear Students:

The Tutoring Center begins its services on the first day of classes. There is no fee charged to work with our tutors. Students can book tutoring appointments through Starfish, or they may drop in to seek help without an appointment. If dropping in, students should first look up the course they would like to work on with a tutor to make sure that a tutor is scheduled to work at that time.

This schedule is a work in progress that will go through many updates during the semester. Thus, please think twice before printing this schedule; instead, save an electronic copy or bookmark the schedule where it is posted and updated online. **Changes** made since the previous version of the schedule are **underlined and in bold**. **Yellow highlights** are used **to lessen confusion** about which courses and hours go with which tutor.

This schedule contains the following sections:

- Writing and ESL/ELL tutors (These tutors can assist with writing and reading assignments for any course taught at Morrisville.)
- EOP Tutors (These tutors are available only for students in EOP at these times.)
- Tutors Available by Appointment Only (listed alphabetically by subject)
- Tutors Available by Appointment or by Drop-in (listed alphabetically by subject)

To find course-based tutors, look up your classes by subject. With each subject, particular course numbers are listed. Next, find the tutors who are listed with your course numbers; then, you will see their work schedules. You may drop in during these hours, or you may book an appointment during these hours. Appointments must be booked at least a day in advance. If a tutor's hours are not yet determined, they are listed TBA ("to be announced"). "R" stands for Thursday. NightOWL online tutoring is also available for about 10 subjects and begins February 2.

If you do not see your course/subject, a tutor for your course, or if the hours for your course do not work with your schedule (or if you have any other concerns), then email the subject name(s) & number(s) of your course(s) to the TutoringCenter@morrisville.edu, attaching a copy of your weekly schedule showing when you are available and busy.

We look forward to seeing you soon!

Sincerely,

Stephanie L. Lawhorne
