Dear Student:

In compliance with the Federal Government, all males between the ages 18 – 25, MUST register with Selective Service. You may do so on the Internet at the web site WWW.SSS.GOV, or you may do so at any Post Office. Our records now indicate that you have reached your eighteenth (18th) birthday or are within 30 days of your 18<sup>th</sup> birthday and we need proof of your registration. **Without proof of registration, you cannot get any financial aid funds until the registration is complete and we have a copy on file for our records.**

We would be happy to do your registration process for you if you will provide us the authorization to do so by completing the form below.
